Dear Chair Dela Cruz:

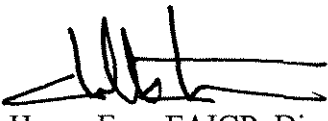

Re: The Woods at Ahuimanu
DPP File No. 2004/SUB-266
TMK: 4-7-005: por. 060

This is in response to your memorandum dated February 3, 2006, requesting a copy of the above subdivision application and related files.

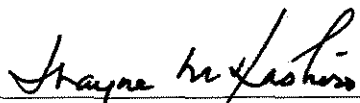

The information you are requesting is voluminous consisting not only of the subdivision application materials, but also drainage and soils reports, full-size drawings, and the park dedication application. Reproducing this information will be time-consuming and the Department does not have the resources to commit to such a job. However, your staff is welcome to view, during office hours, any information that the Department has acted on. Your staff can also make separate arrangements to have any selected file duplicated by a private company and sent to your office.

Should you have any further questions, please call me at extension 4432.

Very truly yours,

for Henry Eng, FAICP, Director
Department of Planning and Permitting
